Here Comes The Bride!

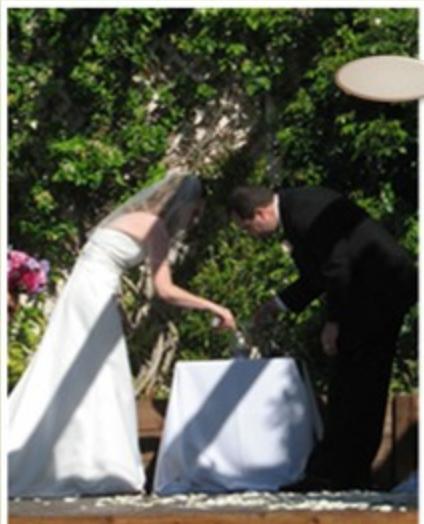

Where Sugar and Tobacco Thrive.

Not only from the viewpoint of health and comfort, but from the success of a creature whose distribution of rainfall plays a very important part in

the welfare of man, would

in impossible way, if not for the gen-

erous rains of summer following

the relatively dry winter, which

lasts from October to March, and

is followed by a short dry season.

With such rains as those described,

there will be no lack of water for

irrigation purposes, and the

surrounding country will be

well supplied with water for

irrigation purposes, and the

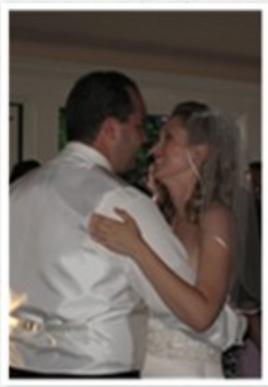

surrounding country will be

well supplied with water for

irrigation purposes, and the

Mark and Brooke,

Here is a gift from us to thank you for allowing us to be  
a part of your special day. We hope your marriage is  
filled with love and happiness. May God bless you every  
step of the way. Enjoy!

Love,  
Bryan and Jamie Sheasby
